

# **Town Center Area Community Improvement District Project Updates**

**Project Name: Barrett Parkway at Cobb Parkway (U.S. 41) Intersection Improvements**

**Project Description:**

This project, classified as an operational improvement, consists of adding turn lanes in each quadrant of the intersection. Eastbound and westbound dual left-turn lanes will be added along Barrett Parkway and the dual lanes on Cobb Parkway will be lengthened. Exclusive right-turn lanes will also be added on Cobb Parkway and Barrett Parkway.

The project also consists of replacing the traffic signal system at Barrett Parkway and Cobb Parkway, adding a traffic signal at Barrett Parkway and Cobb Place Boulevard, and replacing the traffic signal equipment at Barrett Parkway and Roberts Boulevard.
